

## Is my child disabled? The checklist:

1. Does the child have either  
A physical impairment:

Or a Mental impairment?

2. My child's impairment has an adverse effect on their ability to carry out day to day activities (e.g. it takes longer or is more difficult for them) because)

3. The adverse effect is substantial (i.e. more than minor or trivial because:

4. The effect :

- Has lasted more than 12 months.....
- And/or
- Is likely to last more than 12 months.....
- Is likely to last for the rest of his life.....

5. I have the following medical or other professional evidence:
